All students must enroll for a minimum of two weeks. A non-refundable deposit of one week's tuition is due when enrolling.

Tuition is due on May 16th for the balance of the first four weeks, and on June 15 for the final four weeks.

No refunds will be given after May 16th. There is no reduction in tuition for absences for any reason. We will be closed on July 4.

Summer Smiles consists of eight fun-filled weeks with three program options, all including lunch. We offer an integrated curriculum, including daily art, music, and language arts activities, as well as science and math experiences.

Activities take place both outdoors and indoors in our air-conditioned classrooms. Art supplies, building materials, puzzles, books, a sensory/water table, and paint easels are available on our shaded porch. In addition, children enjoy weekly water play in wading pools and sprinklers.

Children are supervised by our highly qualified teachers, who hold B.A. or M.A. degrees and have training in Early Childhood Education.

Camp groups are formed based on multiple factors including overall enrollment, individual age and schedules.

Lunches are provided daily by Gourmet Gorilla, a premiere children's organic catering company. Nutritious snacks are served in the morning and afternoon.

Afternoon activities, following a rest or quiet time, include water play and supervised free play on the playground.

Summer Smiles balances structured activities with free play. It combines fun and friendship with learning in a relaxed, nurturing atmosphere.
