All students must enroll for a minimum of two weeks. A non-refundable deposit of one week's tuition is due when enrolling.

Tuition is due on May 15th for the balance of the first four weeks, and on June 16 for the final four weeks.

No refunds will be given after May 15th. There is no reduction in tuition for absences for any reason. We will be closed on July 4.

**Summer Smiles** consists of eight fun-filled weeks with three program options, all including lunch. We offer an integrated curriculum, including daily art, music, and language arts activities, as well as science and math experiences.

Activities take place both outdoors and indoors in our air-conditioned classrooms. Art supplies, building materials, puzzles, books, a sensory/water table, and paint easels are available on our shaded porch. In addition, children enjoy weekly water play in wading pools and sprinklers.

A structured art, science, or cooking activity is presented each day and is supervised by our highly qualified teachers, who hold B.A. or M.A. degrees and have training in Early Childhood Education.

Lunch is served family-style. Our menu is child-friendly and nutritious, with food prepared on-site. Nutritious snacks are served in the morning and afternoon.

Afternoon activities, following a rest or quiet time, include water play and supervised free play on the playground. During the last hour of the day, children enjoy stories and pursue quiet play activities.

Summer Smiles balances structured activities with free play. It combines fun and friendship with learning in a relaxed, nurturing atmosphere.
